Dear Ms. Trainer:

Thank you for your participation in the Homeless 2 Home Panel Discussion at the National Faith Symposium held on October 26. The overwhelming success of the discussion was in large part due to your willingness to take part and share how your company is stepping up to assist individuals and families who have fallen on hard times. Your commitment to fight homelessness reinforces that our community is deeply touched by the challenges facing our homeless children and families.

I am happy to report that those in attendance have expressed their commitment to work together toward identifying long-term sustainable solutions for families' and for this I am grateful. Together, we will make a difference in the lives of our neighbors. The potential is limitless if we all work together!

If I may be of further assistance to your organization, please do not hesitate to contact me by calling (407) 317-7054.

Warmest regards,

William D'Aiuto
