Dear Mr. Clark and Mr. Brock:

Our community is currently facing a daunting and heartbreaking challenge. The quest to provide affordable housing for homeless families has become a huge priority as more and more families fall victim to this sluggish economy.

However, when non-profit organizations like Southern Affordable Services step up with programs like the "New Moves Partnership" to provide important services to those vulnerable families, we know there is hope! When struggling families feel like they have no place to turn, it's heartwarming to know that organizations like yours exist.

Congratulations on providing a home to your 100<sup>th</sup> family under the New Moves Partnership program. I am proud of the work Southern Affordable Services is doing to help end the crisis of homelessness in Florida.

Keep up the great work!

Sincerely,

Brenda Carey, Chairman  
Seminole County Board of County Commissioners
